The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Continuation of 3. NOTE: Applicant has added new claims (claims 9-11), which have never been searched or considered before, without canceling a corresponding number of finally rejected claims (i.e. without canceling three of the examined claims, examined in the final rejection).

Continuation of 11, does NOT place the application in condition for allowance because: as the arguments are drawn to the claims as amended after-final (which have not been entered), the arguments will not be addressed at this time.
